Examiner's Remark

Applicant's amendment, filed on 3/5/2007, has been received and entered into the file. The objections to claims and 112 rejections have been overcome in view of applicant's amendments/remarks and the following examiner's amendment and are hereby withdrawn. The earlier indicated allowable claims 4 and 8 are rewritten in independent form including all of the limitations of the base claim and any intervening claims and therefore they are allowable and so are the dependent claims.

Authorization for this examiner's amendment was given in a telephone interview with C. Lamont Whitham on 3/14/2007.
